On this special day the school colors, **white** and **blue**, were worn by everyone. The school spirit dominated the minds of all students, leaders, and staff members. RAIS teachers provided so many fun activities to increase our students' artistic abilities and to work on color recognition and affective response to colors.

The color **white** represents many positive things such as purity, virtue, and innocence. **White** is linked to emotions of harmony and serenity. **White** reflects light and is considered a summer color. **White** is popular in decorating and in fashion because it is light, neutral, and goes with everything. Doctors and nurses wear **white** to imply sterility.

**Blue** is the color of the sky and sea. It is often associated with depth and stability. It symbolizes trust, loyalty, wisdom, confidence, intelligence, faith and truth. **Blue** is considered beneficial to the mind and body. It slows human metabolism and produces a calming effect. **Blue** is strongly associated with tranquility and calmness.

**Light blue** is associated with health, cleanliness, healing, tranquility, understanding, and softness.

**Dark blue** represents knowledge, power, integrity, sincerity, expertise, and seriousness.
